

# Third Clean Energy for EU Islands Forum in Stockholm and Mariehamn

14-16 May 2019

## Practical Information

The 3<sup>rd</sup> Clean Energy for EU Islands Forum will take place in three different venues. This means you will need to book two different accommodations – one for your stay in Stockholm (one or two nights depending on when you arrive), and one for your stay in Mariehamn (one night only). Below you will find three options for accommodation with special rates for each of the two locations, along with further information to help you book your trip.

Registration to the forum includes: 2 days of forum, food and beverages, ferry and bus transfers.  
Registration does not include: Travel and accommodation. Participants need to make their own arrangements.

## Logistics

### Ferry transport:

All ferry transportation is covered as part of the forum. The ferries are commuter ferries and do not wait for passengers to arrive. **It is therefore very important to show up a minimum of 30 minutes before departure.** Hosts will be there to guide you on board.

### Departures:

- **Stockholm** 15 May 7:45 (Meeting point 30 minutes before departure)
- **Mariehamn** 16 May 7:30 (Meeting point 30 minutes before departure)

### Bus transfers:

- Bus transfer to the three selected hotels in Mariehamn.
- Bus transfer from Kapellskär to Arlanda International Airport or Stockholm city centre (please indicate your preferences upon registration)

**All passengers must be ready for boarding 10 minutes before bus departure.**
